NETGEAR

Your Interview Preparation Guide

We want you to succeed in your interview. Here's everything you need to feel confident and ready to have a great conversation.

Our Values

Dare to Transform
Push boundaries. Embrace bold innovation.

Connect and Delight
Put customers first. Deliver products that improve lives.

Communicate Courageously
Speak openly. Build trust through honest dialogue.

Collaborate to Win It Together
Share accountability. Win as one team.

What to Expect

Format
Mix of behavioral/situational, skill-related, and value-based questions

Structure
Introductions, questions related to focus areas, and time for your questions to us.

Duration
Typically, 30-45 minutes per round.

Good to know
This is a two-way conversation. Come with questions - we want you to assess us just as much as we assess you.

Structure Your Answers - STAR Method

Use this framework to keep your answers focused and compelling

S	**Situation**	Set the scene - what was happening and what was at stake?
T	**Task**	What was your specific role or responsibility?
A	**Action**	What did you do? Walk through your thinking.
R	**Result**	What happened? Quantify it where you can.

Before, During & After

Before

- ✓ Research NETGEAR - our products, recent news, and the team you'd be joining.
- ✓ Identify 2–3 stories from your experience that connect directly to the role.
- ✓ Bring key talking points and questions for us. **Tech check** if virtual - Camera, mic and connection

Day of

- ✓ Dress business casual. For virtual: tidy background, good lighting.
- ✓ Arrive or log on early (10–15 mins in person, 5 mins virtual)
- ✓ It's fine to pause. A considered response beats a rushed one every time.
- ✓ Running late? Contact your recruiting coordinator.

After

- ✓ Send a thank-you note within 24 hours - brief, specific, genuine.
- ✓ Timelines vary. A polite follow-up is fine if you haven't heard back in 1–2 weeks.
- ✓ Reflect on what went well. Every interview is a skill that gets better with practice.
